Determine your WHY... Reflections on Born to Succeed motivational audio

My WHY Statement is:

Now that you know your WHY, what is it going to take to accomplish your WHY?

How much money do you need to accomplish your WHY?

When do you want to have this money?

Now write down your Financial WHY Statement

For example: I will make X\$ per month in Isagenix passive income by Specific Date to empower me to your WHY statement from above.

Now write your Financial WHY Statement on an index card and post it somewhere where you will see it every day, like on your bathroom mirror. Also, consider creating a vision board with magazine cut outs to SEE what your life is going to be like once you create your Financial WHY.
